All is Found

Where the north wind meets the sea
There's a river full of memory
Sleep, my darling, safe and sound
For in this river all is found

In her waters, deep and true
Lay the answers and a path for you
Dive down deep into her sound
But not too far or you'll be drowned

Yes, she will sing to those who'll hear
And in her song, all magic flows
But can you brave what you most fear?
Can you face what the river knows?

Where the north wind meets the sea
There's a mother full of memory
Come, my darling, homeward bound
When all is lost, then all is found
Is found
All is found

Somewhere Beyond the Sea

Somewhere beyond the sea
Somewhere waiting for me
My love still stands on golden sands
And watches the ships that go sailin'

Part 1 Somewhere

Part 2 Somewhere

beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms
I'd go sailing

Part 2 It's far

Part 1 Yes it's far

beyond the stars
It's near beyond the moon

I know beyond a doubt
My heart will lead me there soon

Part 2 Will lead me there soon

Part 1 We'll meet

Part 2 We'll meet
beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailing

No more sailing

No more sailing

No more sailing

No more sailing

Yeah

Let the River Run

Let the river run
Let all the dreamers wake the nation
Come the new Jerusalem

Silver cities rise
The morning lights
The streets that lead them
And sirens call them on with a song

It's asking for the taking,
Trembling, shaking
Oh my heart is aching

We're coming to the edge, running on the water
Coming through the fog
Your sons and daughters

We the great and small
Stand on a star
And blaze a trail of desire
through the darkening dawn

It's asking for the taking,
Trembling, shaking
Oh my heart is aching

We're coming to the edge, running on the water
Coming through the fog
Your sons and daughters
Let the river run
Let all the dreamers wake the nation
Come the new Jerusalem
Come the new Jerusalem

The Lighthouse

Let me be a light
Let me show the way
Let me be a beacon
For those who've gone astray

Part 1

Let me be a guide
In the dark of night

All

Let me be a beacon
Let me be a light

The water may be rocky
The journey may be long
The waves are rough upon a stormy sea
But I will send a signal
A message to be strong
So all the lost
Can look to me

Let me be a fire
Burning clear and bright
Let me be a beacon

Part 1

Let me be a light
Let me be a light
Let me be a light

Part 2

Let me be a guide
In the dark of night

Part 2

Let me be a light
Let me be a light
