Art and Design: Form and Sculpture

In this unit children will learn to use a range of materials creatively to design and make a clay tile.

Art	Using imagination and creativity to produce something.
Design	A plan showing how something is to be made
Form	To make build or create something
Sculpture	The art or craft of making statues or other objects.
Clay	Moist, stiff earth that is used for making brick, pottery, and tile.
Glaze	A shiny coating
Clay tools	An object that is usually held with the hands and helps one to do something.
Pattern	An arrangement of shapes, lines, letters, numbers, or colors that can be repeated or used again and again.

Tiles

Impression: A mark made by pressing

In EYFS you learnt to:

- Use tools for a purpose.
- Explore different materials and textures freely, in order to develop ideas about how to use them and what to make.

In Year One you will learn:

- to manipulate clay by changing the shape and creating patterns using clay tools
- To create a circular and rectangular flat tile using clay tools
- To paint and glaze the clay tiles.
