

Drawing Knowledge Organiser - Coleman Primary School (Year 2 Summer 1)

In Year One you were....

- Drawing with increasing complexity and detail

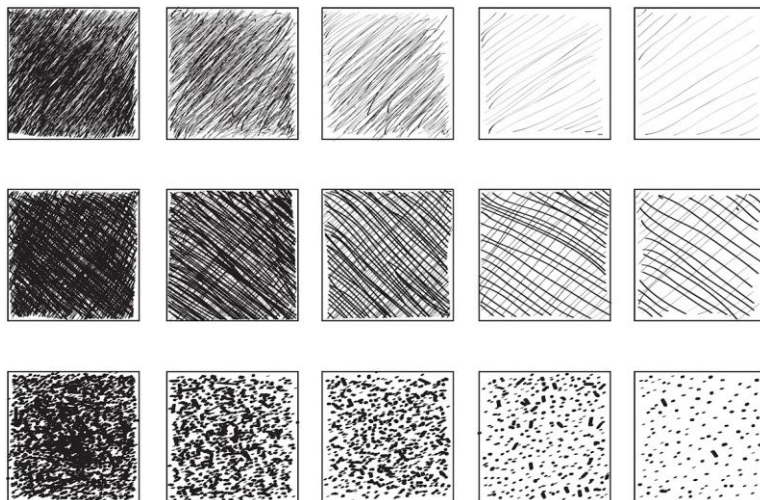

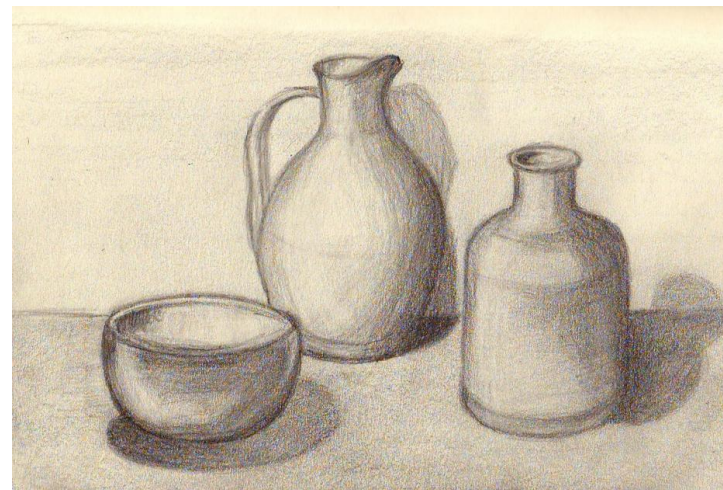

You will learn

- To how to shade using hatching, cross hatching and stippling
- To know you can draw with pencils and crayons
- To know how to show light and shade
- To know how to do observational drawings

Different things to draw with

Vocabulary	
Line	Defines the shape, the outer edge
Tone	How dark or light something is
Shape	The outline of an object
Pattern	A repeated shape or line
Texture	The feel or appearance of a surface, how rough or smooth it is
Cross Hatch	Lines are placed over each other at different angles to build up areas of the drawing

Hatching Cross Hatching Stippling

Still Life

In Year Two you will

- Make observational drawings
- Use pencils to create a range of effects
- Use a variety of implements when drawing
