

Expressive Arts and Design

Coleman Primary School, Nursery, Spring 2

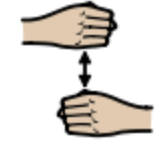

Theme – How does it work?

Area of Learning - Expressive Arts and Design
(Art, Design Technology, Music)

In Nursery your child will learn the skills to:

1. Explore how to join different materials together.
2. Explore and talk about different textures.
3. Make imaginative and complex building and structures using small world, blocks and construction kits.
4. To follow the tune of songs.
5. Perform actions to accompany the songs.

 materials	 textures	 building
 join	 construct	 blocks
 glue	 string	 sellotape
 song	 tune	 action

In Nursery your child will learn:

1. That materials can be joined together using sellotape, glue, or string and what is the most appropriate technique to use.
2. Materials have different textures, which we can explore using our senses.
3. How to make imaginative building and structures using small world, blocks and construction kit.
4. How to copy and follow the tune of songs.
5. We can use actions when singing songs.
