

Coleman Primary School

Key Knowledge Organiser:

Year 6- Autumn 2

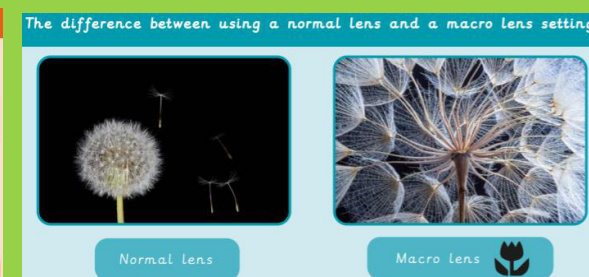

Art: Craft & Design : Photo Opportunity

In this unit, children explore creative photographic techniques, creating new images through photomontage, understanding photorealistic self-portraits, and applying digital photography to art design, enhancing their skills in composition and editing.

Key Vocabulary

Arrangement	The composition of visual elements
Digital	Art made using electronic devices and computers
Layout	The arrangement of different elements within a given space
Macro	Very close-up photography, usually of very small subjects that are hard to see without using a magnifying tool.
Monochrome	The use of one colour
Photography	The process of producing an image using a device that captures light
Photomontage	A collage of photographs that are arranged or modified
Photorealism	A drawing or painting so detailed it looks like a photo
Prop	Objects that are in photographs to enhance a scene
Saturation	The intensity or strength of a colour
Grid	A pattern made from horizontal and vertical lines
Observation	Closely observing someone or something
Selfie	A photograph that you have taken of yourself
Large scale	A drawing made to a larger scale than the original
Portrait	A painting, drawing or photograph that shows the head and shoulders of a person
Scale	The size of one object in relation to another
Self-portrait	A picture or photograph that shows the artist who created it

Images:

Skills:

Pupils can create expressively in their own personal style and in response to their choice of stimulus

Show the ability to develop artwork independently.

Can combine materials and techniques appropriately to fit with ideas.

Knowledge:

- I know **photomontage** means cutting out parts of different photographs and combining them to make a new composition
- I know **Hannah Hoch** was a pioneer of photomontage
- I know extremely close up photography is called **macro** photography
- I know **Derrick O Boateng** is an artist from Ghana who show his passion for his country through photography
- I know parts of a camera such as the lens, shutter button and flash
- I know **digital art** is made with computers and electronic devices
- I know to keep the camera still when taking a photo
