Dear Kathie

Ofsted inspection: 5 and 6 November 2024

We are writing to congratulate you, your staff, governors and all your pupils on the recent Ofsted inspection. The school should be proud that the team recognised some areas as 'good' particularly in the context of a robust Inspection Framework.

Our schools in Leicester serve some of the most deprived and vulnerable children in the country, the education you and your staff are providing will make a life-long difference to our children and will enable them to thrive in adulthood. The Local Authority thank you on behalf of the children and families linked to the school.

May we wish you, your staff, governors, and all others connected with the school the very best, as you continue to lead the school through challenging times. The Local Authority send their thanks and good wishes to all staff at the school.

Yours sincerely

Sophie Maltby
Director of SEND, Education and Early Help

CC Chair of Governors – Ivan Waddington
CC Ward Councillor – Cllr Misbah Batool, Cllr Mustafa Malik
