Maths Task: We have been learning about doubles e.g.

When 2 equal parts are put together, it has a special name – a 'double' This is a double because 2 is a part and 2 is a part. Find 10 small objects. Use your butterfly to put the same number of objects on each wing to show a double e.g. 2 and 2, 4 and 4.

Physical task:

Practise doing the buttons up on your shirt.

Next week: We will be thinking about the question " How does it work? Homework is available to be viewed on the school's website. Click on 'Our Curriculum' then 'Reception'. You can click on the links to go straight to the stories/songs/clips above.
