

# Expressive Arts and Design

## Coleman Primary School, Reception, Spring

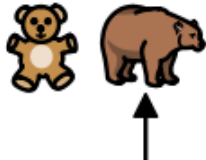

**Theme** – How does it work?

**Area of Learning** - Expressive Arts and Design  
(Art, Design Technology, Music)

### Knowledge:

1. The melody is the tune. Notes are played one after the other to make a tune.
2. Pitch is how high or low a note is.
3. Tempo is the speed at which a piece of music is played.
4. Natural objects can be used as paintbrushes.
5. To understand that paintings of objects can look like the object or not (be abstract).

|                                                                                                |                                                                                                         |                                                                                                     |

I can use my voice to sing a high and low note.

I can use my voice to show different emotions through pitch.

I can use a stick and mud to paint a picture.

I can use paint to make a picture of an object that does not look real.
