Information Booklet:

Year Four

Dear Parents/Carers,

Welcome to Year 4! We hope you have all had a fantastic summer and are excited about the new year. We would like to remind you of the following information, which will support your child's learning in Year 4 as this is a very important year for them.

The Year Four Team

In Year Four we have three classes:

4L – Mrs Lewis

4F – Mr Freeman

4M – Mrs Mistry

Attendance and Punctuality

In Key Stage 2, school begins at 8:50am and finishes at 3:15pm. Please ensure your child comes to school every day and arrives on time; this will help them to build their confidence, self-esteem and become a successful learner.

Uniform/clothing

All clothing needs to be labelled clearly with your child's name and class so that if lost, it can be returned easily.

All children must wear the school uniform, which is:

- Bottle green sweatshirt, jumper or cardigan. **Hoodies are not permitted.**
- White shirt or polo shirt.
- Grey trousers, shorts, skirts.
- Green/checked summer dress.

PE

For PE it is essential that children have a change of clothing.

Your child will need:

- Black shorts or leggings.
- Trainers.
- *House-coloured t-shirt

**Please note each child has been assigned a house team and will wear their house-coloured t-shirt during PE lessons (the first t-shirt will be provided free for your child; if your child loses their t-shirt, you will need to replace it).*

We have PE twice a week as follows:

Tuesday afternoons – Indoor PE

Friday afternoons – Outdoor PE

For one term, your child's class will have swimming on a Friday morning. During this time, they will not have outdoor PE on a Friday. More information about swimming will be sent nearer the time.

All long hair must be tied back, and jewellery must not be worn on PE days. If your child comes into school with jewellery on, they will be asked to remove it or, if the item of jewellery cannot be removed, it will be covered with microporous tape.

Year Four Curriculum

In Year Four we teach the following subjects

- English (Reading and Writing)
- Maths
- Science
- PE
- PSHCE
- RE
- Foundation subjects; History, Geography, Music, Computing, Design and Technology, Art, French

In addition to this we will be teaching your child 'learnful exercises' to help your child develop and improve mental health and wellbeing.

Please visit the school website for the following year four information (www.colemanprimary.co.uk)

- **Maths end of Year 4 Expectations**
- **English Writing end of year 4 expectations**
- **English Reading end of year 4 expectations**

Multiplication Tables Check

In Year Four, children complete the Multiplication Tables Check, which is statutory for all Year Four pupils in England.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.

At Coleman, we use Times Tables Rock Stars to prepare children for this assessment. Please allow your child to log on and practise their skills as regularly as possible.

Homework

Please note that all homework in Year Four is set online, using Century, TTRS and Google Classroom.

Logon information will be provided for children.

In addition, please ensure your child reads at home daily and records this in their reading diaries.

Daily essentials

- Please ensure your child brings their book bag (with their book inside) to school every day.
- Please provide your child with a named water bottle that they can drink from in the classroom. If your child is having a packed lunch, please provide a separate water bottle for the classroom.

Money for trips, swimming, book bags, lost items...

We are a cashless school; please make all payments online using Scopay. If you do not have your log in details please ask the school office for details (see below).

Further information

More information about the school and Year Four can be found on our school website:

www.colemanprimary.co.uk

If you have any questions or concerns, please do not hesitate to speak to your child's class teacher, a member of the team or make an appointment by calling the school office:

0116 2490109.

Thank you,

Year Four Team 😊
