Writing task:

Practice writing the sounds we have learnt this week in phonics - m and d.

Maths task:

This week we have been making simple patterns. Using household items, create a pattern e.g. sock, shoe, sock, shoe, sock, shoe. Ask your child what the pattern is and what would come next. Then make a pattern with a mistake e.g. fork, spoon, fork, spoon, fork, fork, spoon. Ask your child what the mistake is. Can they correct it and make the pattern right? Finally, can they make their own pattern up?

Physical task:

Please create a physical pattern with your child. For example:

- Curl up small, stand up tall, curl up, stand up, curl up, stand up ...
- Star jump, wiggle, star jump, wiggle, star jump wiggle...

Now make your own physical patterns up!

Next week:

We will be thinking about what superhero we would like to be and why.

We will be having a cape day on Thursday 12<sup>th</sup> October! Wear a cape to school and show us your superpowers!
