[The Dot - Read Aloud - YouTube](#)
[Storytime: I Love Me with Marvyn Harrison - YouTube](#)

Writing task:

We have making different patterns to be creative. We used our finger, a scarf and markers. Please practise making these patterns.

zigzag

wavy

spiral

dot

spots

lines

Maths task:

We have been learning a counting song about fish – '5 little fish swam in the water so..'

Here are the words so you can sing with your child.

See the words below.

We have been sorting objects by colour:

Physical task:

To help your child be independent at school please help them practise how to put their rucksack on their back.

Red or not red/ Blue or not blue/ Yellow or not yellow

Use this language to sort objects around the house.

Next week:

What new powers can I learn? We want the children to have a 'Can do' attitude to try new things so we will be Superheroes who say 'I can'

We will be talking to the children about which Key worker colour group they will be in.

5      
5 little fish swam in the water so,

 +  
Up and down and to and fro,

   
They flapped their flippers and wiggled their tails,

But no-one knew they were  of  whales,

     
How many fish, how many fish, how many fish have we?
