

In EYFS you learnt how to operate simple equipment (e.g. turn on CD players and to use remote controls).

In year 1 you will learn how to use technology safely and to use technology to create, store and retrieve digital contents.

Key Vocabulary

Algorithm	Sequence of instructions given to a computer
Edit	Change or correct something
Film	Pictures that move on a screen
Video camera	A device that can record films
audio	Sound

Did you know?

If you see something that is inappropriate on screen, you must turn the screen off, turn the tablet over and tell your trusted adult!
