French Unit 2: Homes and houses

During this half term the children will learn the nouns for rooms in a house and the nouns for furniture in the style of artist Piet Mondrian. The children will prepare descriptive sentences to sell a house and write their own spooky story after following a story about a haunted house. The children will have the opportunity to see and pronounce the names of some authentic French castles, explore new nouns associated with castles and play a game of 'Escape from the castle'.
