

Puppets – DT Knowledge Organiser – Knowledge Organiser (Year 2 Autumn 2)

In Year One you were...:

- Beginning to design purposeful, functional appealing products for themselves and other users based in design criteria.
- Beginning to select from and use a range of tools and equipment to perform practical tasks.
- Beginning to evaluate their ideas and products against design criteria.

You will learn: -

- To know the names of different types of puppets
- To know how to join different materials together using glue
- To know how to design a glove puppet
- To know how to create a template
- To know how to join different material together by sewing
- To know how to evaluate their puppet

Vocabulary

Puppet	A character that can be controlled.
Fabric	Material that is used to make puppets.
Needle	Used for hand sewing.
