

We are Photographers- Computing Knowledge Organiser - Coleman Primary School (Year 2 Spring 2)

In Year One you were...:

- using technology to create, store and retrieve digital content.
- Using technology safely, learning to keep personal information private

You will learn

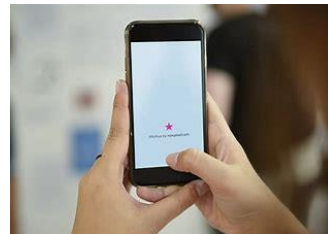

- To take digital photographs
- To review and reject photographs
- To edit and enhance their photographs
- **To create a portfolio of their best photographs**

Vocabulary

Camera Roll	Dedicated directory on iPads where all images are stores, can be shared across multiple devices
Colour Value	Combination of red, green and blue values which make the colour of any given pixel
Crop	To reduce the size of an image, rectangular region
Filter	Standard set of changes to all the pixels in an image eg dramatic or silver tone
Pixel	Picture element – one of the small, square dots that make up a digital image

Digital Photographs

There are different devices that can take digital photographs. Have you used any of these?

Camera Roll

Camera

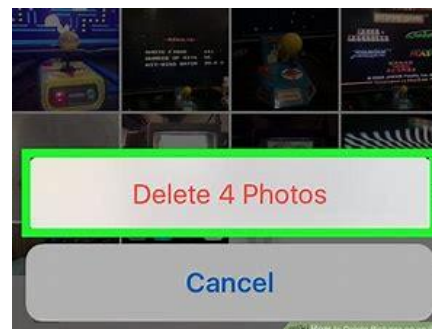

Taking Photographs

Reviewing and Rejecting

When you have taken photographs some of them you will like and some you will not. The photographs that you do not like you can reject and delete them from the camera roll.

Editing and Enhancing

In Year Two you will ...

- use technology purposefully to create, organise, store, manipulate and retrieve digital content
- use technology safely and respectfully, keeping personal information private
